Ordinary business

Ordinary resolution number 1: Approval of annual financial statements

The directors must present to shareholders at the annual general meeting the annual financial statements incorporating the directors' report and the report of the auditors for the year ended 30 June 2009. These are contained within the annual report.

Ordinary resolution number 2: Re-election of directors

In addition, any person appointed since the last annual general meeting is similarly required to retire and is eligible for re-election at the next annual general meeting.

The reason for proposing ordinary resolution number 3 is to confirm the appointment of PricewaterhouseCoopers Inc., and the audit partner, as the external auditors of the Company and the Group.

Ordinary resolution number 4: Remuneration of auditors

It is usual for this matter to be left to the directors, as they will be conversant with the amount of work that was involved in the audit. The Chairman will therefore propose a resolution to this effect, authorising the directors to attend to this matter:

Ordinary resolution number 5: Remuneration of non-executive directors

The Company, in general meeting, as per the Articles of Association, shall from time-to-time determine the remuneration of non-executive directors, subject to shareholders' approval.

The reason for proposing the special resolution is to permit and authorise the Company and/or any subsidiaries to acquire the Company's own shares. The effect will be to grant the directors a general authority to purchase shares in Aspen. Such general authority will provide the Board with the flexibility, subject to the requirements of the Act and JSE Ltd, to repurchase the

Company's shares should it be in the interests of the Company while the general authority exists. This general authority shall be valid until the next annual general meeting, provided that it shall not extend beyond 15 months from the date of passing this special resolution.
